KINGS WOOD KIDS

Preschool 3&4 Years

Quality Before & After School Care

Our Philosophy

Children are adventurous and explorers. As Early Childhood Educators we believe we are guides assisting them in understanding and expanding their discoveries.

Children Thrive and learn through meaningful activities that reflect their interests and the world around them.

Children benefit from all manners of expressing themselves. Through language, art, music, movement, dramatic play, and construction.

Children **“Learn What They Live”**.

At Kingswood Kids children will learn that caring, sharing, respect for others, and self-esteem go hand in hand.
